VWOOO

Hey, Hult...
Yeah, I'm on it.

FUNNNNN

FWOOM!

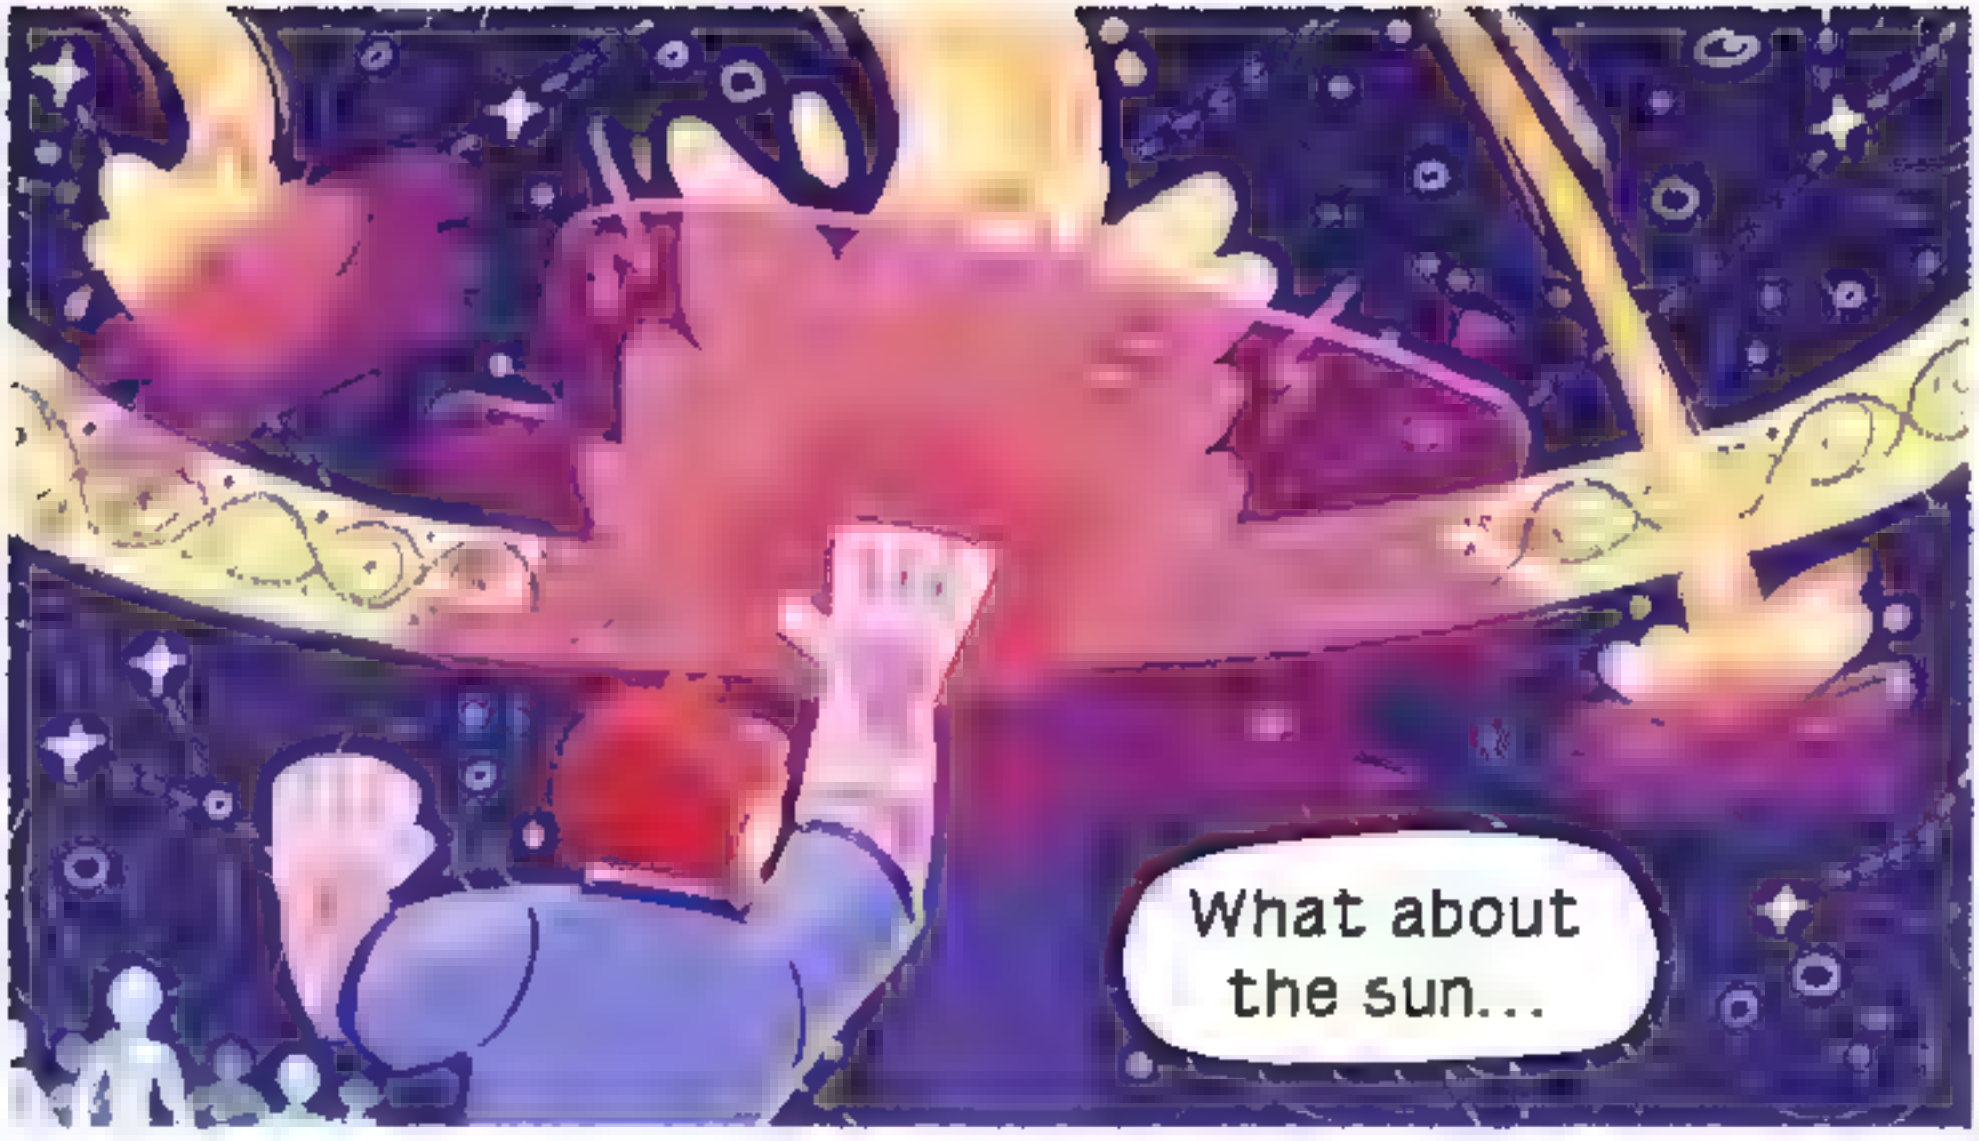
Okay, let's figure this out, fast!

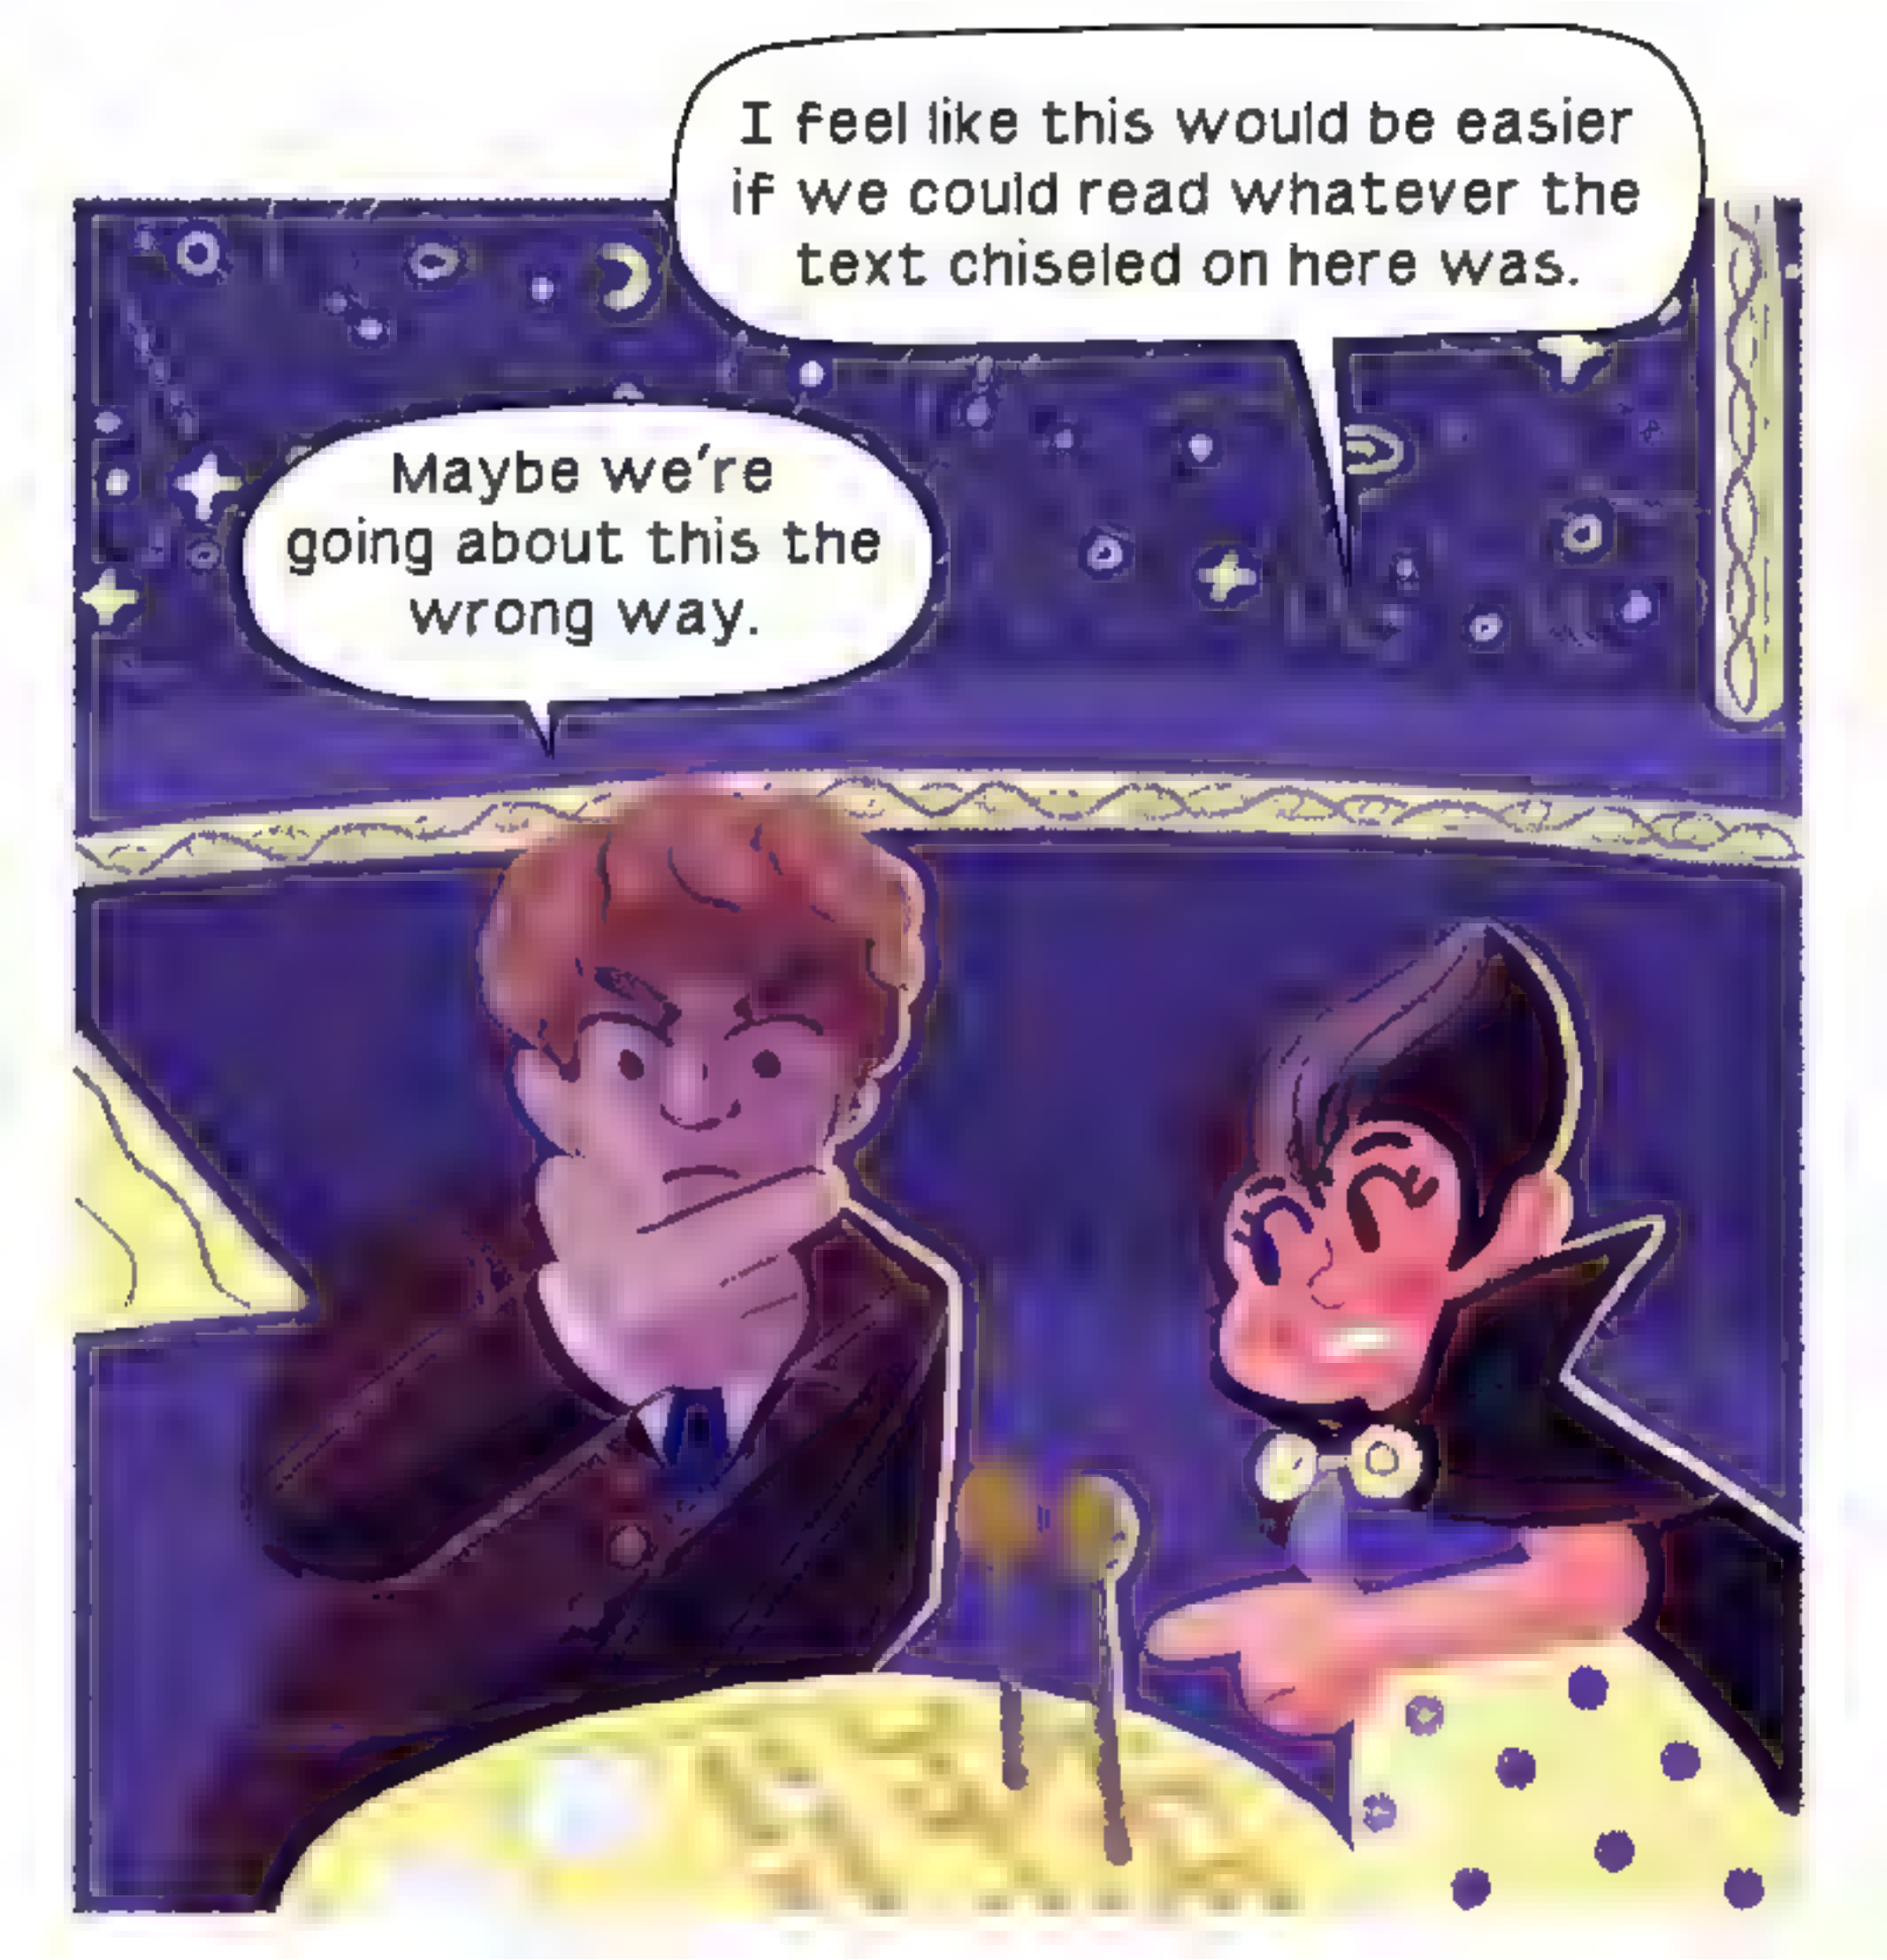
It looks like these levers move the two moons...

And the moons control the water level.

But...



What about the sun...



I feel like this would be easier if we could read whatever the text chiseled on here was.
Maybe we're going about this the wrong way.

This has to make sense with what we understand about the Hierophant.
Hey, are you talking to me, or yourself?

What his MO is...
Um, Paris, I'm starting to get really nervous...

No, don't worry.
I've got it.

Hult!
You've got to drop your barrier blocking the lasers.

What?!

Go ahead, it's alright!!
You have a plan!?
No, but it'll work out!

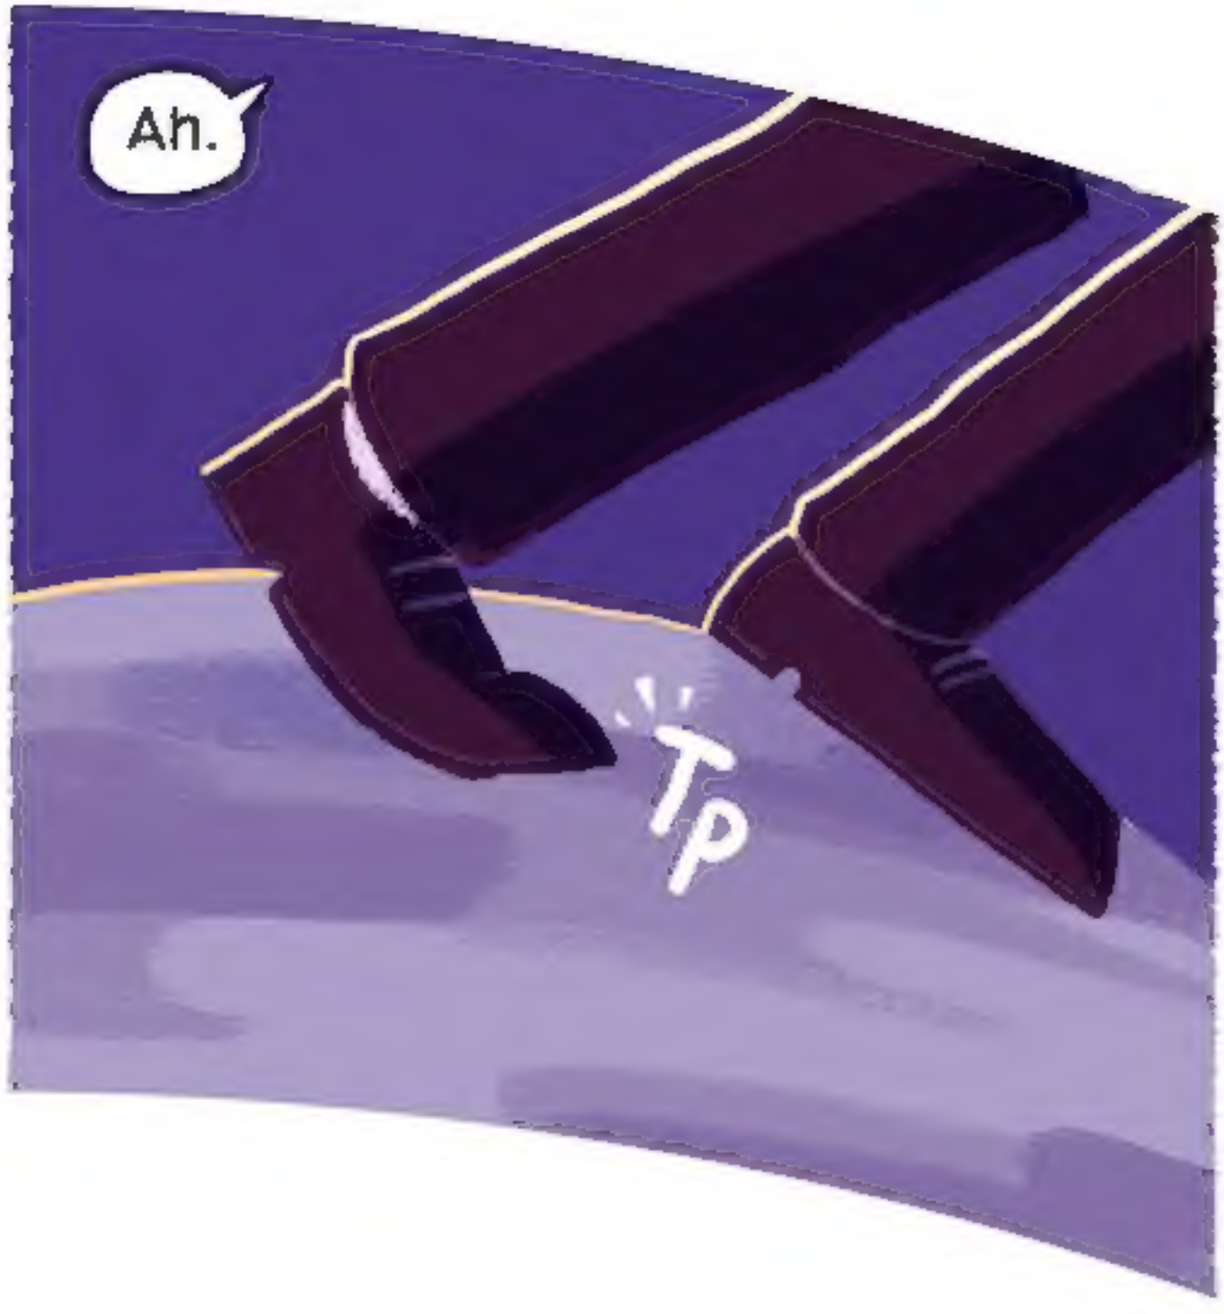
HEY!
THE SUN!

HIT ME!

SHAAAAAHH

Wow, yikes.

Oh,
I should
move.



Ah.
